- Solar properties of each film on other typical window systems and definitive film to glass recommendations are available from your authorized Vista dealer or regional center.
- CDF Adhesive System: clear, distortion-free, water activated adhesive. HPR: high performance resin adhesive, pressure sensitive (not water-activated).
- Solutia Inc. is a member of the National Fenestration Rating Council.
- All data has been measured in accordance with NFRC standards on clear 1/8" glass. All values averaged from routinely accumulated quality control data.
- For the most recent updated listing of NFRC Certified products, please refer to <http://search.nfrc.org>.
